

Meet and Greet

hello

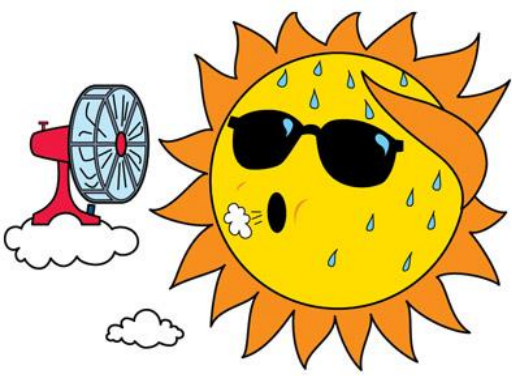

- KS1 Co-ordinator – Miss Zhorna
- Deputy Headteacher – Mrs Hutchinson-Wright

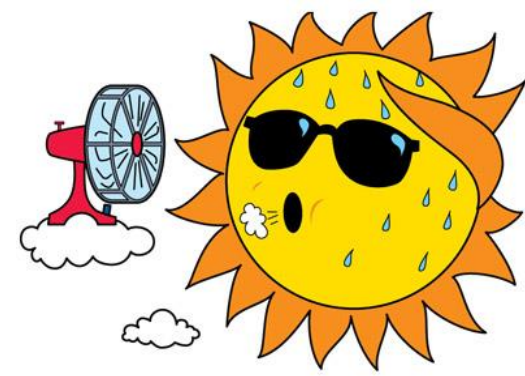

- Phonics screening is approaching quickly.
- There is nothing to worry about – your children are amazing!
- Please practice sounds with them at home every day.
- Ensure you are also reading with children daily to help them apply phonics skills and develop reading-comprehension skills.

SATS

- Children are currently undergoing the year 2 SATs.
- Ensure your child has a healthy, nutritious breakfast every day.
- Please do not put pressure on them – we aim to make them feel relaxed and happy.

Hot Weather

- British weather is very unpredictable, especially at the moment.
- Your child needs to come into school with the appropriate clothes – sun cream, hats, glasses.
- A jumper or light jacket must also be given as there are times throughout the day when it can get chilly.
- Water bottles may also be brought in by your child – please label them and wash them out every night.

DATES TO REMEMBER

- Phonics Screening – Week beginning: 11th June 2018
- Sports day: Thursday 05th July 2108
- Trip to Barleylands Farm: Friday 06th July 2018

THANK YOU FOR LISTENING
