

## RE

Who wants to be famous?  
To look at leaders and teachers from different faiths and understand why they are important.

## Computing

Information Technology/ Digital Literacy: This unit teaches children to use the internet safely and with a purpose. They will also explore various ways of recording and editing work.

## Physical Education

Dance - Circus Performers  
  
Multi-skills (Games)

## Science

Living Things and their Habitats: To investigate the habitats of animals that are living and dead and how they adapt to their environments.

## Art and Design

In Art we will be looking at French Circus paintings which are colourful and exotic. We will recreate them focusing on our sketching and drawing.

## History

Shows In The Past: To know about a range of people and animals who have lived and performed in a variety of cultures in the past.

## Design and Technology

Templates and Joining: To design, produce and evaluate an appealing product which can be used by others.

## Inspiration and Trips

Dress up as a circus performer and show off your talent.  
  
Trip to local farm.

## Geography

At The Farm: To find about the features of a farm and thinking about differences between life in the country and life in a busy town.

## Music

Our song this half term is 'Hands, Feet, Heart'. We will be listening to the song, practicing our singing, using musical instruments and performing to our friends.

## Literacy

Children will look at a short chapter book and a video exploring themes of magic. Writing includes familiar settings, information texts, instructions, and character descriptions.

## Maths

Number and Place Value  
  
Addition and Subtraction  
  
Times Tables (3x, 4x, 6x)

## PSHE

Relationships: This half term we will be looking at discussing and our feelings, working with others and overcoming obstacles.
