

RE

Why Do We Care For Others: What motivates people to help others? What is the impact of the religions studied on people's lives? How do we show respect for others?

Computing

Information Technology - Data: This unit teaches children to Use technology purposefully to create, organise, store, manipulate and retrieve digital content.

Physical Education

During indoor P.E. we will continue looking at gymnastics actions and creating sequences. Additionally, we will explore dance moves using music to represent the Great Fire of London.

Science

Use of Everyday Materials: Children will identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.

Design and Technology

In D&T children will be designing, making and building their own Tudor houses. They will use iPads, Great Fire of London texts and the library to help them gather accurate information.

In Food Technology children will be making bread as they will learn that the fire started in a baker's shop in Pudding Lane.

Inspiration and Trips

Museum of London
Theatre Company Visit

History

The Great Fire of London: In History children will be finding out all about the Great Fire of London and the effect it had on the city.

They will also be comparing London before the fire in 1666 and in the present day to examine the changes that were made when rebuilding.

Music

Our song this half term is 'I Wanna Play In A Band'. We will be listening to the song, practicing our singing, using musical instruments and performing to our friends.

Literacy

We will be looking at the Great Fire of London information books, Samuel Pepys' Diary and 'Toby and the Great Fire of London and use it to make predictions, write our own diary entry and create an information leaflet.

Maths

Multiplication and Division
Statistics
Geometry: Properties of Shape

PSHE

In PHSE we will learn about:
Differences: boys & girls;
differences: males & females; naming body parts;
body image and exercise & fitness.
