# ACTIVE TRAVEL PLEDGE

## AS PART OF THIS ACTIVE, INDEPENDENT COMMUNITY, I PLEDGE TO:

WHO?	ACTION	WHY?
Everyone	Walk or cycle the whole distance to school whenever possible	... to contribute to my hour of physical exercise a day and to keep me fit and healthy
People who live within 1.5 miles of school	Walk to school whenever possible	... to get some exercise and make time to talk to my friends
People who live further than 1.5 miles away from school	Get off the bus at least two stops early and walk	... to help build exercise into my everyday routine and wake me up before I get to school
Pupils whose parents bring them by car	Ask my parents to drop me off at least two streets/half a mile away from school	... to make sure I'm not adding to local area congestion and pollution
Everyone	Take care of myself and my mates when travelling to and from school	... to avoid accidents (most accidents involving young people happen to 11 and 12-year-olds on the way home from school)
Everyone	Always behave respectfully and treat others the way I would like them to treat me	... to demonstrate that I am kind and intelligent
